Green Point at a glance

Green Point Stretching from the lower slopes of Signal Hill to the Atlantic Ocean, flanked by Three Anchor Bay on the one side and the V&A Waterfront on the other, lies Green Point. This suburb ticks just about every box one can imagine: proximity to CBD, walking distance to the V&A Waterfront, beaches and the Sea Point Promenade. Check! Living in a vibrant, cosmopolitan suburb surrounded by eateries and nightlife options too numerous to mention. Check! A plethora of accommodation options, from studio apartments to luxurious freestanding homes. Check! One would be hard pressed to find a more suitable locale to appeal to the many young professionals Green Point is favoured by. Although the area is also popular with families who find the proximity of all the...
