

Stunning Riverfront Retreat!

 4  3  4

A beautifully designed home for both relaxation and entertaining. The large braai room and open-plan living areas create a fantastic space for gatherings, and the layout with separate bedroom wings for guests and separate bedrooms for the family, adds a sense of privacy and comfort. The elevated patio around the braai room and lounge offers breathtaking views of the river. The addition of a large boathouse on land, workshop and space for vehicles and boats makes it perfect for anyone who enjoys river living and outdoor activities. The long walkway meandering through the reeds leading to a private jetty offers parking for two boats.
