An exclusive property that offers privacy and unobstructed and breathtaking views of the beautifully landscaped garden, a pool, fire pit, tennis court, a deck and a putting green, with the added advantage of a golf course just beyond the fence. The house is designed for entertainment and large family living, featuring various built-in braais (barbecues), fireplaces, a large bar area separate from the main living areas offering a fireplace, a kitchenette, lounge, dining area, guest toilet, and dual aspect stacker doors leading to the pool and fire pit area. There is also a music room and various private living and dining areas throughout the home. The kitchen is generously sized, with enough space for a 10-seater dining table. It also boasts a fireplace, making it a cozy and inviting space. A spacious scullery, laundry and pantry are situated just off the main kitchen leading to the garages and paved backyard. A sunroom off the kitchen is ideal for morning breakfasts or afternoon...
